Galloway's Groundbreaking New Book, *Bridge to Excellence*, Now Available in All Formats on Amazon

Disrupt current thinking within your leadership team with advanced thinking on what it takes to achieve and sustain excellence within performance and culture.

(Houston, TX – 18 May 2023) Shawn Galloway, best-selling author and CEO of ProAct Safety, announces his seventh book, [*Bridge to Excellence: Building Capacity for Sustainable Performance*](#), is available for order on Amazon in paperback, Kindle and audiobook formats. The book was released on May 16th and appeared on Amazon's best seller list the very next day.

About the book:

Since 2008, the Bridge to Excellence model has been leveraged to help thousands of leaders discuss how to achieve and repeat great organizational results, know precisely what is creating the results, develop confidence in the system capacity to prevent undesirable outcomes and recover when they do occur, and to create an organizational culture dedicated to this pursuit, with a shared mindset that regardless of how well the organization is performing, continuous improvement is always possible.

Throughout the book, you will gain insights directly from senior leaders across many industries: AQRA Group, Buckeye Partners, LP, Canadian Nuclear Laboratories, Cardinal FG, CertainTeed, CF Industries, ChampionX, East Dubuque Nitrogen Fertilizers, Essity Operations France, Ethostory, Fernelius and Simon, GATX, Georgia Power, Hess Corporation, Houston Livestock Show and Rodeo, Shaw Industries, ShowBox Exhibits, Spec's Wine, Spirits & Finer Foods, and the US Navy.

As you'll learn, every organization has a Bridge, whether you know it or not, whether you utilize it or not. The question is, does your Bridge take your organization across the roiling rivers of competition, technological change, evolving customer preferences, workforce changes, supply chain disruptions, pandemics, regulation, and more? Does it carry you over all of this to the goal of Sustainable Excellence, or does it take you somewhere else? Discover how to build and maintain the capacity for sustained performance and sustained excellence.
