ProAct Safety Partners with Energy Conference Network to Host Future of Safety Excellence (FuSE) Conference

The two-day event focuses on what the future holds for those pursuing safety excellence to align efforts with the best safety performers.

(The Woodlands, TX – March 24, 2016) ProAct Safety, a recognized pioneer of safety excellence strategies, has partnered with Energy Conference Network, a well-respected content and conference provider, to present a conference focusing on the future of workplace safety excellence. The [Future of Safety Excellence \(FuSE\) Conference](#) is a two-day event beginning at 8am on April 12th at the Omni Westside Houston and includes speakers from high profile companies across numerous major industries.

Shawn Galloway and Terry Mathis, principals of ProAct Safety, will also present several topics and will open the conference with “[Forecasting Tomorrow: The Future of Safety Excellence](#),” based on their 2015 best-selling book of the same name. Attendees will each receive a complimentary copy of the book, which outlines seven powerful predictions and actionable recommendations.

Discussions and related content are being posted to the [event LinkedIn group](#).
