ProAct Safety's Predictions Book Achieves Amazon Best Seller Status First Week After Publication

ProAct Safety's recently-published book, Forecasting Tomorrow: The Future of Safety Excellence, was listed in Amazon's Top 100 Best Sellers in its category only days after it was posted on the bookseller's website.

(The Woodlands, TX – August 19, 2015) ProAct Safety, a global safety consultancy and pioneer in leadership and safety excellence strategies, announced its book, *Forecasting Tomorrow: The Future of Safety Excellence*, was included on the Amazon business best seller list just days after it became available for purchase.

The book outlines seven predictions for the safety industry and offers actionable recommendations to help companies test strategies and adopt superior practices. It is available in paperback for \$19.95 or Kindle digital edition for \$9.99.

"Safety strategies of the future must align with evolving business goals, and this book will help both business and safety professionals keep up with the demands," said co-author, Shawn M. Galloway, ProAct Safety's President and Chief Operating Officer.

ProAct Safety is also hosting webinar to introduce and review the seven predictions found within the book. This complimentary webinar will take place on September 24th at 11:30am CT. Registration information may be found at <https://attendee.gotowebinar.com/register/7053070592510353665>.
